The majority of humanity is ready to proceed to this next level of enlightenment. In establishing a far better alternative, we can ultimately smother the corrupted global system in place now. The wealthy elite have been heavily planning for decades, and we are seeing it being aggressively enacted today. The time has come for the citizens to upgrade our society - for Earth and the entire biosphere.

Hi

4. Eric D. McCullar | Denison, TX | 2026-04-20 18:00 UTC

I built this for us, what we become is up to us.
